

WORLDWIDE RESPONSIBLE ACCREDITED PRODUCTION

Worldwide Responsible Accredited Production is an independent, non-profit organisation dedicated to the promotion and certification of lawful, humane, and ethical manufacturing throughout the world. The WRAP Certification Programme is based on 12 Principles focusing on local law, workplace regulations, and the environment, and aims to evaluate facilities' security compliance with Customs–Trade Partnership Against Terrorism's (C-TPAT) Foreign Manufacturer Security Criteria.

WRAP PRINCIPLES CONSIST OF 12 ELEMENTS

- Management Systems
- Forced Labour
- Freedom of Association
- Health and Safety
- Child Labour and Young Workers
- Working Hours
- Living wage
- Discrimination
- Regular Employment, Sub-Contracting and Homeworking
- Discipline

TYPES OF WRAP CERTIFICATE

WRAP have adopted a three-level facility certification programme. The purpose of the programme is to award participating facilities the appropriate level of recognition for their progress in achieving full compliance with the WRAP Production Principles over a period of time.

There are three levels of WRAP certification –Platinum, Gold and Silver, and the validity periods are two years, one year, and six months, respectively.
